We hope our catalog reached you safely and you have had a chance to look it over. Didn’t the pictures of fruit and plants and trees just make your palms itch to get out with a shovel and plant something round your home?

When the buds begin to swell upon their twigs, when sap starts running free in the tree veins, there comes a strong desire to make the home grounds beautiful.

There’s nothing on God’s green earth adds to the happiness of men and the appearance of the home as shrubbery, trees, fruits... a garden.

It’s been more than forty years now since we started helping happy home-lovers by providing them with the very best of Nursery Stock at a real saving in cost.

But after all, it isn’t what we’ve done for them, it’s what we can do for YOU, that counts.

That is why we are extending the 10% Discount until April 17th.

Take advantage of our low prices for quality stock plus the 10% discount and mail your order today. Remember, Maloney’s pay transportation charges on orders of $7.50 and over.
